Dear Golf Club of Quincy Member,

We had a great turnout for our Easter Sunday Buffet Lunch. Thanks to all of the families that joined us. We will be doing it again on Mother's Day, Sunday, May 11. Please call in advance and reserve your table.

We have set Saturday, May 10 as our target date for opening the pool.

The Rotary Club Golf Tournament was shortened to a 9-hole event due to rain.

Results:

Flight 1	Flight 2	Flight 3
1 st Richard Combs-Jim Beyel	Richard Greco-Richardson	Wayne Conrad-Zac Ray
2 nd Jim Rodgers-BA Rodgers	Dane Clemens-Bill Shisskin	Tom Guilday-Dan Kuhn

We will host an FWC Wildlife Alert Golf Tournament on Saturday, May 31. There will be a 9:00 am shotgun start with lunch following the golf. We will have more information closer to tee off date.

Long-time Golf Club of Quincy member Arthur Fixel died on April 15. We will miss Mr. Arthur and our condolences go out to the Fixel family.

The aerification of our greens will occur later this year than in the past. We are currently looking at the first week in June.

I am going to propose June 23-24-25 for our summer junior golf clinic. Please let me know if there are major conflicts I don't know about.
